

## The Pittsylvania County Sheriff's Office

is partnering with First Piedmont Corporation in sponsoring this year's Boys and Girls Club Christmas Party.

We need to furnish gifts to the children for this event.

Our Master Deputies will be visiting area businesses asking for donations of toys or monetary contributions.

We're asking our Sheriff's Office Employees to participate by donating a new, unwrapped toy or money for this event.

We're also asking for help from all of the County Offices and employees.

To kick it off, Teresa Easley and the employees of the Treasurer's Office are issuing a challenge to all of the County Offices to meet or exceed their pledge of \$100.00 to the Boys and Girls Club Christmas Party.

All donations need to be in to us by December 3, 2009.

They can be delivered to Sherrie Crews at the Sheriff's Office. All checks should be made out to the Pittsylvania County Sheriff's Office.
